Foundation History

The Foundation was formed in October 1988, by the Fifth District Order of AHEPA to raise funds from its members and the general public for research grants. Shortly after, the Fifth District Daughters of Penelope came on board uniting the AHEPA Family behind a common cause of philanthropic support of cancer research.

The Foundation volunteers began their fundraising efforts in March of 1989. Armed with collection canisters thus inaugurated the humble beginnings of collecting donations to provide funding for cancer research.

Mission Statement:

Our Mission: The mission of the Foundation is to facilitate fundraising and to award grants to scientists and medical research institutions whose primary goal is to find a cure for cancer. The Fifth District AHEPA Cancer Research Foundation, Inc. is tax-exempt under 501 (c) (3) of the Internal Revenue Code. Contributions are deductible under the 170 (a) (2). We may accept employer matching grant donations.

AHEPA CREED

American

To promote and encourage loyalty to the United States of America; allegiance to its flags; support its Constitution' obedience to its laws; reverence to its history; and to encourage its members to always be profoundly interested and actively participating in the political, civic, social, and commercial fields of human endeavor and always to strive for the betterment of society.

Hellenic

To always remember Hellas, the mother of civilization, the champion of Christianity and Democracy; to promote understanding of the Hellenic people and Nation and to revive, cultivate, enrich and marshal into active service to Humanity the noblest attributes and highest ideals of Hellenism.

Educational

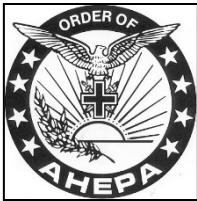

To champion the cause of Education; to support the American system of public schools and to keep them free of religious prejudice; to promote and augment the educational advantages of this country; and to open, establish and maintain new channels for facilitating and dissemination of culture and learning.

Progressive

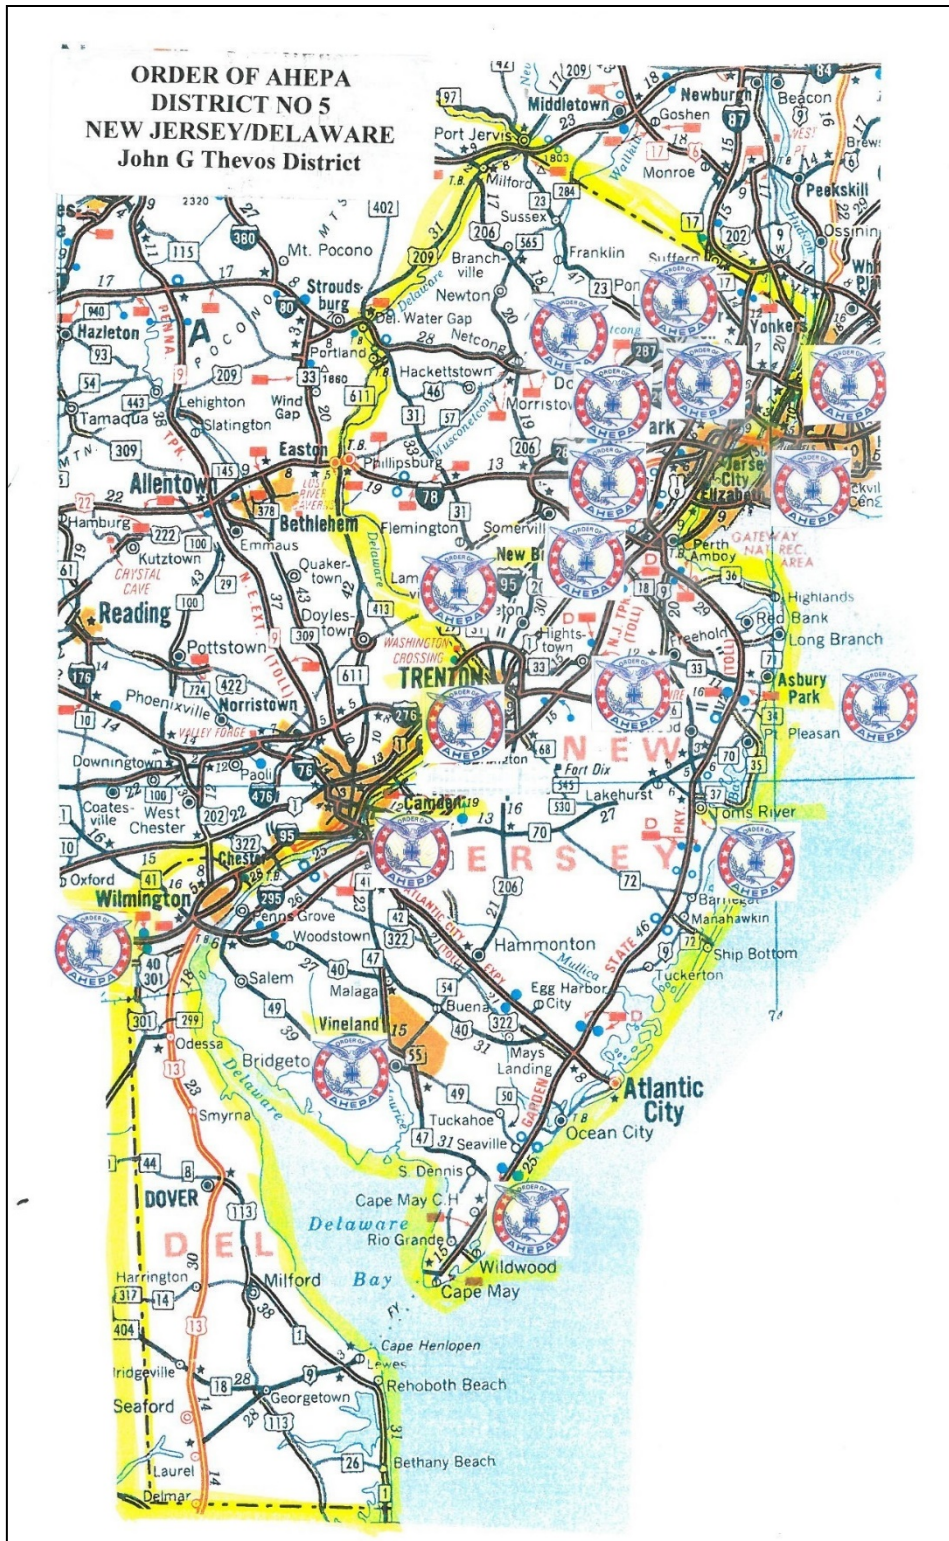

To instill progress in every one of its members and to utilize every means available for the perfection of the moral sense in its members; to promote good fellowship among them; and to endow them with the spirit of altruism, common understanding, mutual benevolence and helpfulness.

Association

To keep its members united, and to arouse mankind to the realization that tyranny, wherever it may exercise its baneful power, is menace to the life, prosperity, welfare, honor, and integrity of every citizen; and that the preservation of our liberties can be assured by being united and ready to back up our Government, the Champion of Liberty and the defender and protector of all oppressed and down-trodden people.
